### 14 Other observations

Is the garden in a windy area? If so, where is it worse? (e.g. either from the West or with your back to the house on the right hand side)

Where is the sunniest and shadiest part of the garden?

Is the garden mostly flat or sloping? (e.g. slopes steeply to the rear of the garden)

What is your house made of? (e.g. red brick and cream painted wood)

What is the soil like? (pH readings can be taken at a later stage)

15 Budget (including cost for electricians, builders, skip hire, plants, statues etc) As a guide use £120 per square metre.
